INTRODUCTION

The Schools' Finance Branch of the Department of Education has compiled enrolment and transportation statistics related to the school year 1988 - 1989 for public and private schools in the Province of Manitoba. This information is compiled from data submitted annually by teachers and superintendents from all school divisions, districts and private schools.

The enrolment data in Section I represents the number of pupils attending school on September 30, 1988. Similarly, the transportation data in Section II represents the total number of pupils on September 30, 1988 that are transported to school on buses.
